Canyon County Coroner's Record

Coroner: Steve Rhodes

Case No: 0271/N/B/13

Decedent: Eells, Garrett D

Case Summary

I responded to the above address for an unattended report on a 6 day old baby. I was told that the baby had been born on 04/22/2013 at 03:47 hrs. The baby was possibly 3 to 3 1/2 weeks early. Other than being premature, the pregnancy and delivery had been without complications. I was advised that the baby had problems breathing from the time of the birth until its death. It had nursed and was having bowel movements and passing urine. I examined the baby and found no obvious physical abnormalities, however the skin appeared very yellow in color indicating possible jaundice. The baby was transported to the Canyon County Morgue, pending autopsy.

Steve Rhodes
Deputy Coroner
